H.E.L.P. Animals, Inc. Nationwide Rescue and Resuscitative Initiative

Thank you for contacting H.E.L.P. ANIMALS, INC. about the Animal Oxygen Recovery Mask Set that is distributed in the U.S. exclusively by SurgiVet, Inc.(www.surgivet.com)

H.E.L.P. ANIMALS, INC.: We are a 501(c) 3, Tax Deductible Organization established July 2003. There are only six of us giving information and processing your order. We are not a huge mail order facility! To date we have distributed over 5,000 mask sets and over 160 Large K9 masks throughout 48 states in the U.S.A. including Alaska and Hawaii and several cities in Canada and Europe. We supply the masks through monetary donations received. Donations sent to us are tax deductible as allowed by law! Citizens supporting their own neighborhoods!

Project funding: We rely upon individuals, businesses and local communities to raise the funds for their own Fire Houses, EMS, Police K9 Units, 501(c) 3 Animal Shelters and Wild Life Rehabbers.

Who we will send masks to: We will NOT send to any Commercial Business for profit in resale of any type. Therefore, we are able to have special pricing of \$55. per set from SurgiVet. We will only send masks from monies donated to us to cover costs to Government run Fire & Rescue, EMS Agencies, any Volunteer Fire & Rescue, EMS, Search & Rescue K9 Units, 501C3's relating to Animal Care & Rescue and Wild life Rehabbers. Anyone may support their favorite agency

We do not have any geographical limitations. We will send the mask donation anywhere in the world. We have never inflated the cost of the mask set. We make absolutely no profit from the "H.E.L.P. Animals, Inc. Nationwide Rescue and Resuscitative Initiative".

How to Start: *First, please get the Fire Chief's permission to have the SurgiVet's Animal Oxygen Recovery Mask sets allowed on the vehicles. This must be your first priority, as any equipment to be placed on an Emergency vehicle must have the Chief's permission. You may tell the Chief that the masks we carry are the very same make and model that we donated to the USAF / NASA Kennedy Space Center's Fire Rescue Services, EMS and K9 Unit on June 22, 2005. I can send the Chief a photo of the presentation via email. I have that photo on our homepage of our web site, www.helpanimalsinc.org

The mask set of three different sized masks is so versatile; It should take care of just about any air breathing animal species from a tiny bird or reptile to a St. Bernard. The masks are economical, reusable, sturdy and easily cleaned, plus it has a great manufacturer warranty.

The Cost: The cost per mask set at this time 03/31/08 until further notice is \$55. as per SurgiVet. Included with the set of three different sized reusable masks is the 22mm oxygen tubing for each individual mask. There is a warranty that is posted on our web site: www.helpanimalsinc.org. If an order to a single site contains at least (25) twenty five sets and can be drop-shipped via UPS, the UPS Shipping Charge is waived by SurgiVet! There is a \$5. Handling fee per entire order, (not per mask set), added to help defray project costs. The UPS shipping charge from Orange City, FL is added as well.

The mask donation is Tax Deductible as allowed by law. If you would like an **IRS TAX RECEIPT LETTER**, please let us know. **For orders under 25 sets, please call 386-479-9700 or email moonshadow@fbs.net for shipping cost.**

How to Place an Order: *Please include with your order the following information: The Name and Address of where we are to ship, please include the zip code and phone number. Include the Mask recipients: Name, address, address and contact person with phone number of the facility or facilities that will be receiving the masks; The donor/s name and how you would like us to acknowledge the "donor". The donor may keep their identity secret or with permission, we can include it in a press release and post it on our web site. We would love to post your donation efforts and story on our site.

You may "gift" your mask donation any way you wish, e.g.: Birthday present for the one who has everything, In memory of, or any special thought will do. Everyone benefits, you and the community but most of all, just about all Companion Animals of all, shapes and sizes from a baby bird to a St. Bernard!

Send: Please make the Tax Deductible donation check payable to: H.E.L.P. Animals, Inc. and mail it along with your information in a letter to: **H.E.L.P. ANIMALS, INC, P.O. BOX 740514, Orange City, FL 32774-0514.**

Our Mask Project Leader, Cheryl Crozier will handle your order personally and may be contacted either by Email: cheryl@helpanimalsinc.org, or moonshadow@fbs.net for any questions about your mask order.

For media questions, photos, help with a press release: media@helpanimalsinc.org or sending me donor information for free posting on our website: Contact me, Karen Clark at 386-747-0598 or via email karenclark@helpanimalsinc.org. Thank you for caring,

Your "Mask Team" at H.E.L.P. ANIMALS, INC., Cheryl Crozier & Karen Clark
